

Football Coasters

Recipe Courtesy of Gare, Inc.

Ingredients

Bisque:

5073 Square Coaster (4) w/holder

Color:

FS-2313 Happy Trails

FS-2314 Black Lab

FS-2327 Blazing Saddle

BD-2500 Bumpy Snow

Brushes and other materials:

6603 Ultimate Round Brush # 8

6630 Ultimate Round Brush #2/0

Small piece of velcro

Directions

Step 1- Using the # 6 Round Brush, apply 3 coats of Happy Trails to the back and side edges of the coaster. Apply 3 coats of Blazing Saddle to the top side of coaster.

Step 2- Draw or trace pattern to the coaster.

Step 3- Using the rough side of a piece of velcro, sponge some Black Lab to the rough part of it and apply sporadically to the top side going on top of the Blazing Saddles as shown on the photo.

Step 4- Apply Bumpy Snow to the white stripes and to the lacing. Let dry and using the # 2/0 Round Brush, apply Black Lab for the details like the line going down the center and the outline around the lacing. Using Happy Trails and the same brush apply shadow lines on the lacing to define them.

Step 5- Dip all 4 coasters into Dazzle Dip clear glaze and fire to cone 06.
