

Holiday Sets

Recipe Courtesy of Gare, Inc.

Ingredients

1600-8" Classic Rim Salad
1601-10" Classic Rim Dinner
1602-12" Classic Rim Charger
4100-White Wine Goblet
5101-Snowman Spreader
5102-Santa Spreader
2073-Mini Round Bowls

FS2392-Rockin Red
FS2341-Kermit
FS2304-Green Acres
FS2314-Black Lab
FS2390-Orange Crush
Soft Fan Brush 6541
ColorStix-4 #6503

Cricut-Doodlecharms
Stretch Your Imagination
Duck brand Painters Tape
Duck brand Contact Paper

- I use the Duck brand Contact paper but you can also use paper. I like the contact paper because I find it sticks well enough on painted areas for me to paint over it.

Directions

Snowman Set

Salad Plate:

Step 1-Cut out 8 Snowman from the Circuit Doodlecharms. Stick the snowman evenly spaced around the rim of the plate. Paint over with 3 coats of Rockin' Red. Let dry completely.

Step 2-Remove snowman stickers. Fill in eyes, mouth and buttons on snowmen using black lab. Make nose with Orange Crush.

Step 3-Cover back with 3 coats of Rockin' Red.

Follow these steps to complete the remaining pieces of this set.
Dip in Gare 9000D and fire to cone 06.

Poka-Dot Set

Goblet:

Step 1- Cut out different sized dots from the Cricut Doodlecharms cartridge. Place them randomly around the entire goblet including the stem. Cover with 3 coats of Rockin' Red. Let dry completely.

Step 2- Remove stickers.

Follow these steps to complete the remaining pieces of this set.
Dip in Gare 9000D and fire to cone 06.

Snowflake Set

Salad Plate:

Step 1- Cut out approximately 6 sets of the snowflakes from the Cricut Doodlecharms cartridge. Place them randomly around the rim of the plate. Place 3 large dots and 1 medium sized dot around rim. Cover with 3 coats of Rockin' Red. Let dry completely.

Step 2- Remove stickers. Place new snowflake stickers in center of circles. Fill in circles with Kermit or Green Acres. Let dry.

Step 3- Remove stickers.

Step 4- Cover back of plate with 3 coats of Rockin' Red. Let dry.

Follow these steps to complete the remaining pieces of this set.
Dip in Gare 9000D and fire to cone 06.
