Directions

*Cover an 8x11 page with the words mom/mother/ma in different fonts and different sizes. Print 2 copies of your page on large label paper.

*All the pieces in the photo were painted using combinations of the above listed colors. Unless there is a certain technique involved, there will be no recipe for the piece. Choose for yourself which of the listed colors, (or any you'd like to add) would be best for your piece.

White Background Frame:

Paint the entire frame with 3 coats of Polar Bear. Cut out letters carefully so that the page you're cutting from is not torn as this will be your stencil. Lay page with letters cut out, over frame and use various pinks to fill in the words. Paint one of the bisquie hearts with 3 coats of any pink you'd like (we used This Li'l Piggy).

Dip both pieces in Gare 9000D dipping glaze. Gently drop heart where you would like it on frame. Let dry and fire to cone 06.

Pink Background Frame:

Paint the entire frame with 2 coats of Polar Bear. Let dry completely. Take cut out letters and stick on frame. Paint over with 2 coats of any of the pinks you'd like (we used Pinkie Winkie). Paint one of the bisque hearts with 3 coats of any pink you'd like (we used This Li'l Piggy).

Dip both pieces in Gare 9000D dipping glaze. Gently drop heart where you would like it on frame. Let dry and fire to cone 06.

Tea for One:

The words and hearts are created using a Cricut Machine in stencil mode. You can create your own stencils or use pre-cut plastic stencils available in most craft stores.

The bisque heart is attached by a piece of pink ribbon that has been looped around the pot and then glued to the back of the heart.
