BD-2500 Bumpy Snow

Brushes and other materials:

6614 Ultimate Square Brush # 10
6603 Ultimate Round Brush # 8
6605 Ultimate Round Brush #12
6601 Ultimate Round Brush #4
Sponge

Directions

Orange:

Step 1- Apply 2 coats of Mellow Yellow to the top side of the plate going up to the edge of the plate using the # 12 round brush. Sponge 3 coats of Orange Crush to the back side of the plate. Bring the Orange Crush around to the top side overlapping slightly onto the Mellow Yellow.

Step 2- Draw or trace 8 segments in the center of the plate. Apply 2 coats of Orange Peel to each segment using the # 8 round brush. Using the #10 square brush clean up the edges between the segments. Do this by wetting the square brush and dabbing the excess water onto a paper towel and then sliding the brush along the outside edge of each segment. Next, shade the inside edge of each segment with Orange Crush using the # 4 round brush.

Step 3- Using BD-2500 Bumpy Snow, apply seeds and streams in each segment as shown in photo.

Step 4- Water droplets: Refer to video “3D Water Droplets” on the “Videos & Tips” webpage on www.Gare.com !

Lemon: Follow the instructions as above except you will be using Smiley Face for all of the lemon areas and shading the inside edges of each segment with Mocha Fudge. Everything else should be the same.

Kiwi:

Step 1- Apply 2 coats of Smiley Face to the top side of the plate going up to the edge of the plate using the # 12 round brush.

Step 2- Cut out pattern of the uneven circle, wet and apply to the center of the plate. Using a # 12 brush apply 2 coats of the Lime Ricky in strokes going from the center to the edge of the plate. Now side load the same brush with Kermit and apply the same way but space every quarter inch from the center going just half way up the plate. Side load the # 8 round brush with Polar Bear and apply the white right side of the green but going all the way to the edge of the plate as seen in photo.

Step 3- Peel off the center paper. Side load the # 8 brush with Mocha Fudge and shade around the edge of where the paper was. Apply 1 very thin coat of Lime Ricky to the center just to tone down the Smiley Face.

Step 4- Sponge 3 of coats Mocha Fudge to the back side of the plate. Bring the Mocha Fudge around to the top side overlapping slightly onto the Lime Ricky.

Step 5- Apply small seeds using a Fun Writer filled with Black Lab.

Step 6- Water droplets: Orange plate colors for water droplets are, Polar Bear. Orange Crush and Mocha Fudge. For Lemon Plate, Polar Bear, Smiley Face and Mocha Chino. For Kiwi, Polar Bear Lime Ricky and Green Acres. Refer to the “3D Water Droplet” Video on our “Videos & Tips” webpage on www.Gare.com!

Step 7- Let dry and dip into Dazzle Dip clear dipping glaze. Fire to cone 06.
