The word Princess and the stars were created using a Cricut Machine in stencil mode. You can create your own stencils or use pre-cut plastic stencils available in most craft stores.

### Directions

#### **Crown Bank, Crown Box, Plaque & Hairbrush**

Paint all of the above with 3 coats of Polar Bear. Apply a stencil to create the words/stars and paint in one of the darker pinks. Pink Passion is used on the tips of the crowns and dots on the plaque.

Dip all items in Gare 9000D and fire to cone 06.

#### **Princess Box and Bank**

Paint faces and arms in the Naked Truth and hair in Black Lab. On the dresses choose from all of the pink colors and Black Lab for an accent color. The eyes are done in blue and headband/bow are in pink and white.

Dip both in Gare 9000D and fire to cone 06.
