## Directions

**Step 1-**Apply 2 to 3 coats of Black Lab to all three pieces covering everything.

**Step 2-** Trace or draw pattern of puzzle pieces as shown in photo.

**Step 3-** Each puzzle piece is applied with a Fun Writer...just fill in with color,  
leaving a space between each puzzle piece so you can see the Black and it will  
be the outline between pieces.

Dip in Gare 9000D or Dazzle Dip and fire to cone 06.
