Directions

Rectangle Tray:

Step 1 - Paint tray in 2 coats of Polar Bear. Let dry completely.

Step 2 - Lay strips of tape side by side across the tray. Remove every other piece. Paint in areas where tape was removed with 2 coats of Rockin Red.

Step 3 - Repeat step 2 going in the opposite direction. Let dry completely.

Step 4 - Trace ants onto tissue paper in pencil, then onto tray using Sharpie marker. Fill in using Fun Writer. Let dry.
