Tip
Sponge

Step 1- Pour a large dollop of Tahiti teal onto a plate. Wet sponge and squeeze a small amount of water onto the Tahiti Teal and mix. The paint should be slightly transparent. Rinse and wring out sponge.

Step 2- Dab sponge in paint and then blot sponge on platter. Continue sponging until top 3/4 of platter is covered. Go back and blot areas where the color is too heavy with clean damp sponge.

Step 3- Repeat steps 1 with Kermit paint. Dab sponge in paint and slightly drag the paint across the bottom 1/4 of the platter to create grass. Let dry.

Step 4- Trace pattern onto platter.

Step 5- Using brush #8 paint peeps in Smiley Face excluding the eyes and beaks.

Step 6- Use Fun Writer filled with Polar Bear to fill in eyes.

Step 7- Use Fun Writer filled with Orange Crush to fill in beaks.

Step 8- Use Fun Writer filled with Black Lab to outline peeps and their legs.

Step 9- Trace words onto top of platter. Use Fun Writer filled with Black Lab to outline. Let dry.

Step 10- Dab the sponge into Smiley Face. Place area of sponge with paint along the top edge of the platter and lightly drag it. Rewet the sponge with paint often and keep dragging it until the entire outside rim of the platter is covered in the paint. Let dry.

Step 11- Use paint brush #10 and Orange Crush to create the next line on the inside of the platter. Apply two coats of paint.

Step 12- Flip platter over and cover bottom and side with 2-3 coats of Smiley Face using the Mop brush. Let dry.

Step 13- Use Fun Writer filled with Tahiti Teal "dot" around the entire outer edge of the platter.
