Step 1- Apply 2 good coats of Polar Bear to the rims of all three bowls.

Step 2- Apply 2 coats of Mellow Yellow to the outside of the large bowl and to the inside of the medium size bowl. Apply 2 coats of Sweet Pea to the inside of the large bowl and to the outside of the medium bowl. Apply 2 coats of Pail blue to the inside and the outside of the small bowl.

Step 3- To the areas that are Sweet pea, sponge very lightly and sporadically with watered down Leap Frog. Do the same to areas that are Mellow Yellow with Mocha Fudge. Do the same to the areas that are Pail Blue with Li'l Boy Blue.

Step 4- Dip the edge of a damp sponge onto some Mocha Fudge and glide it lightly across the outside edge of the rim on all the bowls as shown in photo. Using a # 6 round brush, shade the inside edge of the bowl where it meets the rim, with Mocha Fudge also.

Step 5- Using a # 6 square brush, side lead one corner with Key Lime Pie and the other corner with Kermit and do one side of the leaf stroke. Then reload the brush and do the other side. Place a few of these sporadically around the bowl. Using a Liner brush, apply a vein down the center of the leaves.

Step 6- The flowers are all done the same way with a small square brush # 4 or 6.

Dip the brush into the first color then add the darker color to the corner and do small C-strokes 4 or 5 strokes to make each flower. Do small clusters of flowers around each rim of the bowl. The pink flowers are Pinkie Winkie corner loaded with In The Pink and has In The Pink dot in the center of each. The purple flowers are done with Grape Slush and corner loaded with Wineona and has a Wineona dot in the centers. The blue flowers are done with Pail Blue and corner loaded with Li'l Boy Blue and has a Li'l Boy Blue dot in the centers. Dip into clear glaze and fire to a shelf cone 06.
