Step 1- Apply 3 coats of Pumpkin Pie to the inside of the mug or you can pour and roll one coat to the inside.

Step 2- Apply 3 coats of Mellow Yellow to the outside of the mug going around the cat. You don't have to be perfect with the Mellow Yellow because the Old Yeller will cover it.

Step 3- Apply 3 coats of Old Yeller to the cat in the front of the mug and back of the mug. Clean out the eye area and apply 2 coats of Polar Bear to the eyes and around the nose. Apply 1 coat of Pail Blue to the iris and one coat of Black Lab to the pupils and lashes. Apply 2 coats of This Li'l Piggy to the cat's nose, the cat's bottom lip and the pads on the cat's feet on the back side of the mug. Apply 1 coat of Arizona Sun to the mouth. Apply a highlight on the pupils with Polar Bear. Apply little black dots and whiskers to the mouth area.

Step 4- Apply stripes with one coat of the Pumpkin Pie.

Step 5- (Optional) You can shade all the crevasses in the cat features with Pumpkin Pie by side loading a # 4 round brush and gliding it along the edges on the Old Yeller. Also sponge a little at the bottom of the mug as seen in the photo. Dip into clear glaze and fire to a cone 06.
