# Frog Animug

project time - 1-2 hours

## INGREDIENTS

### BISQUEFIRE

4071 Frog Animug

### FUN STROKES

FS-2300 Polar Bear

FS-2314 Black Lab

FS-2341 Kermit

FS-2368 Old Yeller

FS-2373 Key Lime Pie

FS-2383 Mellow Yellow

**Step 1-** Apply 3 coats of Key Lime Pie to the inside of the mug or you can pour and roll one coat to the inside.

**Step 2-** Apply 3 coats of Mellow Yellow to the outside of the mug going around the frog. You don't have to be perfect with the Mellow Yellow because the Key Lime Pie will cover it.

**Step 3-** Apply 3 coats of Key Lime Pie to the frog in the front of the mug and back of the mug. Clean out the eye area and apply 2 coats of Polar Bear to the eyes. Apply 1 coat of Old yeller to the iris and one coat of Black lab to the pupils. Apply a highlight on the pupils with Polar Bear.

**Step 4-** (Optional) You can shade all the crevasses in the frog's features with Kermit by side loading a # 4 round brush and gliding it along the edges on the Key Lime Pie. Also sponge a little at the bottom of the mug as seen in the photo. Dip into clear glaze and fire to a cone 06.
