### FUN STROKES

FS-2300 Polar Bear

FS-2314 Black Lab

FS-2366 Chocolate Moose

FS-2368 Old Yeller

FS-2383 Mellow Yellow

**Step 1-** Apply 3 coats of Chocolate Moose to the inside of the mug or you can pour and roll one coat to the inside.

**Step 2-** Apply 3 coats of Mellow Yellow to the outside of the mug going around the Monkey. You don't have to be perfect with the Mellow Yellow because the Chocolate Moose will cover it.

**Step 3-** Apply 3 coats of Chocolate Moose to the Monkey in the front of the mug and back of the mug. Apply 3 coats of Buck Naked to the face area of the monkey and to the inner part of the ear. Clean out the eye area and apply 2 coats of Polar Bear to the eyes. Apply 1 coat of Old Yeller to the iris and one coat of Black Lab to the pupils. Apply a highlight on the pupils with Polar Bear. Apply 2 coats of Old Yeller to the banana and shade the banana with a little Chocolate Moose.

**Step 4-** (Optional) You can shade all the crevasses in the Monkeys features with Happy Trails by side loading a # 4 round brush and gliding it along the edges on the Key Lime Pie. Also sponge a little at the bottom of the mug as seen in the photo. Dip into clear glaze and fire to a cone 06.
