These boxes and trays all use Rockin Red and Polar Bear. Below are the directions for the smallest box and its' tray. Looking at the design and following these directions can create the other boxes.

Swoop Sushi Mini Plate

Step 1- Paint top and bottom of tray with 3 coats of Rockin Red. Let dry.

Step 2- Using a ruler and a pencil, draw diagonal lines one ruler width apart, top to bottom going left to right. Repeat this process going right to left to create diamonds.

Step 3- Trace lines with Fun Writer filled with Polar Bear using a fine point.

Step 4- Using same Fun Writer, create a smaller diamond inside each diamond. Fill the smaller diamonds with Polar Bear. Let dry.

Step 5- Outline the small white diamonds with red dots using a fine point on a Fun Writer filled with Rockin Red.

Step 6- Dot the red area surrounding each small white diamond with white dots using a fine point on a Fun Writer filled with Polar Bear.

Small Round Box

Step 1- Pour medium size amount of Rockin Red into the bottom of the box. Roll paint around until entire inside is coated. Pour out excess.

Step 2- Paint red and white stripes on outside of box. Use tape to get really clean edges.

Step 3- Paint top of box with 3 coats of Polar Bear. Let dry.

Step 4- Sketch swirl in pencil. Fill with Rockin Red.

Step 5- Clear Glaze and fire to cone 06.
