World's Best Dad

May 2003
by Dona Marrier

Ingredients

Bisquefire

4033 Beer Mug

Fun Strokes

2300 Polar Bear

2313 Happy Trails

2314 Black Lab

2326 Fir Ever Green

2329 Hi Ho Silver

2338 Galaxy

2354 Something Blue

2356 Pepe Le Bleu

2363 Forest Gump

2364 Butterscotch

2366 Chocolate Moose

2377 Pumpkin Pie

STEP 1 - Transfer pattern onto Beer Mug fired at cone 04 bisque. Using a round brush, apply 2 light coats of Something Blue to the sky area. Paint the inside of the mug in the same manner. Before the paint thoroughly dries, apply Polar Bear clouds to the sky. Apply 2 light coats of Pepe Le Bleu to the water area. Before the paint thoroughly dries, apply light strokes of Something Blue to the water, creating waves. Apply 3 coats of Hi Ho Silver to the land area, see photograph.

STEP 2 - To paint the fisherman, start by applying 3 coats of Butterscotch for the hat. Detail and outline hat with Black Lab as photographed. Paint 3 coats of Galaxy for the coat. Apply 3 coats of Chocolate Moose for the boat. Apply 2 coats of Butterscotch to the inside of the boat. Accent the outside of the boat, using a small detail brush with Happy Trails and line the planks of the boat. Paint 2 coats of Pumpkin Pie for the fish. For the fir trees, using a small detail brush, apply Fir Ever Green for the fir branches and highlight the trees with a little Forest Gump, as photographed.

STEP 3 - Apply 2-3 coats of Black Lab to the handle. Using a small detail brush, apply Black Lab to create the fishing pole and to print the words, "World's Best DAD".
