STEP 1 - Starting with the small heart box, apply 3 coats of This Li'l Piggy to the top part of the box and let dry. For the bottom of the box, you will be designing a plaid formation, so you need to start with the broad Tickled Pink stripes around the box with 2 to 3 coats of that color. Refer to the photograph for a guide to complete the plaid formation. Follow with This Li'l Piggy stripes next to the Tickled Pink, using a liner brush. The stripe next to This Li'l Piggy, using the liner brush is Tickled Pink again. For the bands going around the box, start with In The Pink and scatter the lines. Accent with a few bands of This Li'l Piggy. Refer to the photograph as a guide. Accent the top of the box with dots of Polar Bear, using the Fun Writer.

STEP 2 - Working with the medium heart box, apply 3 coats of In The Pink for the top and let dry. For the bottom box part, apply a 1/2" band of In The Pink at the top of the box with 3 coats. To accent the bottom of the box, use In The Pink Fun Writer to apply dots to the box. To accent the top of the box and that 1/2" band, you will use the Polar Bear Fun Writer and make tiny squiggly's, all scattered around those areas. You don't need to be perfect with this technique, so just have fun with it.

STEP 3 - Working on the large heart box, apply 3 coats of Tickled Pink to the top and let dry. Refer to the photograph as a guide. For the bottom box, use masking tape to mask off the unpainted areas. Paint the exposed areas with 3 coats of Tickled Pink and let dry. Accent the top piece with Polar Bear Fun Writer, scattering dots and hearts. Dip all the pieces in clear glaze and fire to cone 06.
