## MISCELLANEOUS

Synthetic Sponge  
Fun Writer

**STEP 1-** Apply 3 coats using the Millennium Brush with Blue Heaven to the entire bowl. Let dry then apply 2 coats of Polar Bear to the entire bowl. Let dry. Apply an extra coat to the center.

**STEP 2-** To get that Rustic Layering look, use a damp sponge, carefully swipe off some of the Polar Bear as shown in photo so you can see the Blue beneath it. (Don't wipe any white from the very center area and be careful not to wipe to the bisque. If you do you will need to replace that with some Blue Heaven. This works best if the color on the bottom (Blue Heaven) is good and dry like an hour or so after applying.

**STEP 3-** Trace the pattern. Begin by shading the snow and snowmen with Blue Heaven. Do this by side loading the # 6 round brush and using a little water. Wet, dab off slightly on a paper towel and slide the side of the brush into the edge of the Blue Heaven so you will have one side with color and the other side of the brush slightly wet. This will give the snow a soft looking.

**STEP 4-** (Larger Snowman) Apply 3 coats of Rockin Red every other stripe on the larger snowman and also to the band on his hat. Apply 2 coats of Jumpin Jelly to his Buttons. Apply 2 coats of Orange Crush to his nose. Apply 2 coats of Black Lab to his hat. Apply one thin coat of Rockin Red to his mouth area.

**STEP 5-** (Smaller Snowman) Apply 3 coats of Blue Heaven to his scarf and buttons and shade the scarf a little with Jumpin Jelly. Apply 3 coats of Jumpin Jelly to his hat and shade with Blue Heaven. Do the pom pom on his hat with a lots of strands coming from the center of the pom pom with Blue Heaven and Jumpin Jelly. Apply 2 coats of Orange Crush to the nose.

**STEP 6-** Apply 2 coats of old yeller to the candle and flame. Mix a little Rockin Red into the flame with the Old Yeller. Apply 2 coats of Chocolate Moose to the sticks. Apply one coat of Golden Retriever to the smores sign. Shade the sign and the sticks with Happy Trails.

**STEP 7-** Using Bumpy Snow, fill in marshmallows. Let dry then shade the bottoms of the marshmallows with Chocolate Moose.

**STEP 8-** Apply small white dots with Polar Bear to the small snowman's scarf. Apply Polar Bear to the purple button on the large snowman (thread). Outline design and write Smores 5 cents using Black Lab.

**STEP 9-** Fill a Fun Writer with Blue Heaven and do all the snowflakes in the bowl. Dip into clear glaze and fire to a shelf cone 06.
