Step 1- Sponge 3 coats of Polar Bear to each item and 3 coats of Galaxy to the top hats. Add stars with Polar Bear in a Fun Writer Bottle. When everything is dry, trace the pattern of the face of your choice to the pieces.

Step 2- Apply two coats of Orange Crush to the nose. Apply 2 coats of Black Lab to the eyes. Shade around the nose with some chocolate moose. Apply a little Rockin Red to the bottom lip area. Apply eyebrows and mouth with Black Lab using a small detail brush or the Fun Writer bottle.

STEP 3- Apply 2 coats of Golden Retriever to handles. Use a slight amount of Chocolate Moose and side load some color on a small brush and apply some lines to make a wood grain. When it's dry, dip it into clear glaze and fire to a cone 06.
