Step 1- Squeeze out some What-a-Yolk, Orange Crush and Red Blaze onto a paper plate. Hold your piece vertically over a paper plate to catch the water. Wet your sponge in clean water and dab the sponge into the yellow first, run water & yellow down vertically onto your piece so that the water is running off onto the paper plate. Do this with the Orange next then the Red Blaze so it gives the look of a sunset. Let dry.

Step 2- Trace the pattern onto the plate.

Step 3- Use a Fun Writer filled with Black Lab and fill in all of the pattern, leaving spaces in the bonsai tree.

Step 4- Use a sponge to go around all the edges more on the bottom area as shown in the photo. Dip into clear glaze and fire to a cone 06.
