FS- 2304 Green Acres  
FS- 2308 In The Pink  
FS- 2314 Black Lab  
FS- 2341 Kermit

#### Glaze

1700 or 9000 Clear  
Dipping Glaze

#### Brushes / supplies

Synthetic Sponge  
# 4 Round Brush  
A Square Sponge back  
abrasive Pad

**STEP 1-** Sponge 2 to 3 coats of In The Pink to the center of the plate about an inch from the edge.

**STEP 2-** Sponge Lime Ricky to the inch that's left on the plate but leaving a small white space between the green and the pink.

**STEP 3-** Cut off a 1 inch section of the sponge abrasive pad and using the sponge side, slide the sponge side of one end into the Kermit and slide each side edge into Green Acres. Sponge the stripes all around the plate as shown in the photo going over the edge slightly.

**STEP 4-** Using a # 4 round brush. Apply seeds with Black Lab.

**STEP 5-** Dip into 9000 or 1700 Clear Dipping Glaze and fire to shelf cone 06.
